

## EPRef-07– Education Provider Reference Sheet – Assigning a Student to an Area.

Steps	Action	What it looks like																																																				
1.	<p><b>Troubleshooting:</b></p> <p>As an Education Provider User, you will only have access to assign Students to Areas if the placement provider has allocated Areas to your approved Placement Request. If the placement provider has not allocated Areas at Approval time, they will need to assign the students to Areas.</p>																																																					
2.	<p>To assign students to areas, click on the <b>Assign student placements to areas (#)</b> link under the <b>Pending Tasks</b> section on the sidebar.</p>	 <p>The screenshot shows the 'Education Provider Dashboard' with a sidebar on the left. Under the 'Pending Tasks' section, there is a link that says 'Assign student placements to areas (4)'. A red arrow points to this link.</p>																																																				
3.	<p>If you have more than one placement request to assign to Areas, a list of unassigned placements will display.</p> <p>To choose a placement, click the <b>Assign</b> button.</p>	 <p>The screenshot shows a table titled 'Placement Assignments'. The table has columns: Id, Discipline, Program, Education Provider, Students, Start Date, End Date, Total Hours, and an 'Assign' button. The second row (Id: 636) has its 'Assign' button highlighted with a red circle and a red arrow.</p> <table border="1"> <thead> <tr> <th>Id</th> <th>Discipline</th> <th>Program</th> <th>Education Provider</th> <th>Students</th> <th>Start Date</th> <th>End Date</th> <th>Total Hours</th> <th>Assign</th> </tr> </thead> <tbody> <tr> <td>623</td> <td>Nursing and Midwifery</td> <td>Bachelor of Nursing</td> <td>Mater Education</td> <td>4</td> <td>16/06/2014</td> <td>27/07/2014</td> <td>280</td> <td><input type="button" value="Assign"/></td> </tr> <tr> <td>636</td> <td>Nursing and Midwifery</td> <td>Diploma of Nursing</td> <td>Mater Education</td> <td>8</td> <td>04/08/2014</td> <td>31/08/2014</td> <td>160</td> <td><input type="button" value="Assign"/></td> </tr> </tbody> </table>	Id	Discipline	Program	Education Provider	Students	Start Date	End Date	Total Hours	Assign	623	Nursing and Midwifery	Bachelor of Nursing	Mater Education	4	16/06/2014	27/07/2014	280	<input type="button" value="Assign"/>	636	Nursing and Midwifery	Diploma of Nursing	Mater Education	8	04/08/2014	31/08/2014	160	<input type="button" value="Assign"/>

5.	<p>The Areas allocated to this placement will display the <b>Location(s)</b> at the top of each column in bold, and the Area(s)' names.</p> <p>The number <b>[#]</b> brackets after each Area is the number of spots that you can assign students to. This number reduces each time you assign a student, showing how many spots you have left.</p>	 <p>The screenshot shows a list of areas for selection. At the top is 'MPH'. Below it are several locations with their respective spot counts in brackets: '10 East[1]', '10 North[1]', '9 East[1]', and '8 North[5]'. Each item has a checkbox to its left.</p>
